Objective

Motivated BCA student seeking an internship to apply technical knowledge in computer applications, strengthen programming and web development skills, and contribute to real-world IT solutions.

Education

BCA (Pursuing)	Babasaheb Bhimrao Ambedkar University, Lucknow (Satellite Campus Amethi)
Intermediate (2023)	Shree Krishna Inter College, Deoria 63.2%
High School (2021)	Shree Krishna Inter College, Deoria 81.6%

Technical Skills

Programming: C, C++, Java, Python

Web Development: Responsive Web Design, JavaScript

Tools & Platforms: Git, GitHub, Microsoft Office

Other Skills: Cybersecurity, Graphic Design

Projects

- Portfolio Website – Showcasing skills and work (Responsive design).
- Weather App – API-based responsive weather app.
- Gallery Page – Responsive gallery with lightbox and API integration.
- Calculator App – Interactive JavaScript calculator.
- Login & Registration Form – Secure, responsive form with validation.

Experience

Web Development Intern – Kodbud (Jul 2025 – Aug 2025), IBM Edunet Foundation (Aug 2025 – Sep 2025)

- Built and improved responsive web applications.
- Gained hands-on experience with front-end technologies and version control.

Activities – Participated in Hackathons (Web Mania 2.0) – Engaged in Coding Challenges to strengthen problem-solving skills.
